Indian Railways CMM-FMM Dashboard Mobile Application

Privacy Statement

Last Updated: March 2020

CRIS is committed to protect your privacy, while delivering the software that brings you the convenience you desire in Indian Railways. This privacy statement governs your use of the CMM-FMM Dashboard Mobile Application. It does not apply to other online or offline CRIS sites, services, or apps.

Collection and Use of Your Information

The CMM-FMM Dashboard Mobile Application is designed and developed for use of Indian Railways Mechanical (Coaching and Freight) Department. You are offered the opportunity to participate in the App Rating Program. The App Rating collects information about your experience with application through rating of the application. We use this information to improve the quality, reliability, and performance of apps, and services.

Security of Your Information

CRIS respects and protects the privacy of the individuals who use CRIS's services and is committed to helping protect the security of your information. The application is, however, not capturing any individually identifiable information about you.

Changes to this Privacy Statement

We will occasionally update this privacy statement to reflect changes in our products, services and customer feedback. When we post changes, we will revise the "last updated" date at the top of this statement. If there are material changes to this statement or in case CRIS will use your personal information, we will notify you by notification of such changes prior to implementing the change. We encourage you to periodically review this statement to be informed of how CRIS is protecting your information. CRIS welcomes your comments regarding this privacy statement. If you have questions about this statement or believe that we have not adhered to it, please mail us at fmm@cris.org.in or use the contact information provided below:
